Fabrizio Fiorani x Iconic 275x135 mm

La prima pralina col vuoto al centro. Iconic è un must. Un'idea che nasce dal desiderio di rompere gli schemi creando qualcosa di unico, tra cinque forme geometriche pure e l'innovazione tecnica del foro passante svasato, dal team di ricerca Pavoni Italia.

The first praline with a hole through its centre. Iconic is a must. An idea that stems from the desire to break the patterns by creating something unique, among five pure geometric shapes and the technical innovation of the countersunk through-hole by the Pavoni Italia research and development team.

Massimo Bottura x Serigrafie 340x265 mm

Da un piatto che è già culto, il design per praline dal carattere tutto italiano. Frutto della collaborazione fra Massimo Bottura e Pavoni Italia, la nuova veste di "Camouflage" è qui: lo stile iconico dello Chef modenese, interpretato per il mondo del cioccolato. Arte da mangiare, anche con gli occhi.

A cult dish from Massimo Bottura with the Italian praline design, this "Camouflage" has a new look with Pavoni Italia. The creative mind of the Modenese Chef proposes an edible artwork, with an exploding flavor of chocolate.

Single-serving tarts

Fasce inox microforate per crostate monoporzione

Micro-perforated stainless steel bands for single-serving tarts

Il vero segreto di Progetto Crostate, ideale per realizzare una frolla perfetta. La presenza dei microfori assicura una cottura omogenea, evitando il collasso dei bordi e una doratura ottimale dei fondi.

The real secret of Progetto Crostate, for making the perfect shortcrust pastry. The micro-perforations of the bands ensure even baking, preventing the edges from collapsing, and optimal browning of the base.

Nicolas Bacheyre x Pavoflex 300x175 mm

Il talento di Nicolas Bacheyre per un'idea di geniale semplicità. La tradizionale fetta di torta diventa protagonista moderna grazie a Slake, il kit composto da stampo in silicone e coppapasta per base e inserto. Nasce così la possibilità di creare tante interpretazioni differenti, da affiancare in un'unica, speciale composizione.

Nicolas Bacheyre's talent for a brilliant, yet simple idea. The traditional slice of cake becomes a modern protagonist thanks to Slake, the kit consisting of a silicone mould and a cutter for bases and inserts. There it is the possibility of creating many different interpretations, which can be combined in a unique, special composition.

Maurizio Santin x Pavocake

Disco è lo stampo in silicone essenziale e seducente sviluppato da Maurizio Santin con Pavoni Italia. La linea è minimale, aderente al credo "less is more". La perfezione è tutta nell'equilibrio di pochi elementi, che si valorizzano vicendevolmente: un cm di masticabilità, uno di caratterizzazione con inserto, uno di setosità e morbidezza. Tutta la forma che diventa sostanza, in soli 3 cm di eleganza.

Disco is the essential and seductive silicone mould developed by Maurizio Santin with Pavoni Italia. The line is minimal, according to his "less is more" belief. Perfection is in the balance of few elements which enhance each other: 1 cm of chewiness, 1 cm characterization with insert, 1 cm of smoothness. Shape becomes substance, 3 cm of pure elegance.

Top Ice

Top Ice è la linea di stampi in silicone per la decorazione delle vaschette gelato. Il modo nuovo di creare una vetrina capace di catturare lo sguardo e una soluzione ideale per la conservazione: Top Ice annulla l'effetto "defrost", evitando che gelato subisca sbalzi di temperatura e impedisce la formazione della fastidiosa e antiestetica patina sul gelato, dovuta all'ossidazione. Questo significa più libertà e meno lavoro. Cinque trame diverse, tutte da interpretare in modo personale, per dare a ogni gelato l'aspetto che si merita.

Top Ice is the line of silicone moulds for decorating ice cream pans. The new, simple and quick way to create a shop window able to catch the eye: Top Ice nullifies the "defrost" effect, your ice cream will not be subjected to sudden changes in temperature, but kept stable. It helps avoiding the formation of that pesky, unaesthetic coat on the top of your ice cream, due to oxidation. The final result: less work, more freedom. Five different textures, all to be interpreted and decorated in a personal way, to give each ice cream the look it deserves.

Franco Aliberti x Gourmand

Una cucina semplice e appassionata... e così completamente moderna. Il legame tra Pavoni Italia e Franco Aliberti nasce tutto dai valori: una cucina innamorata della Natura, ricca di conoscenza e in cui nulla viene sprecato. Ne nascono così gli stampi appartenenti alla linea Gourmand ispirati ai prodotti della terra, pensati per sconvolgere la modernità, partendo dalla tradizione.

A simple and passionate cuisine... so much modern. The link between Pavoni Italia and Franco Aliberti stems from values: a cuisine in love with nature, rich in know-how and where nothing is wasted. This is how the moulds belonging to the Gourmand line are born, inspired by the products of the earth, designed to disrupt modernity, starting from tradition.
